# MD. LIMON MIAH

**MERCHANDISER | USA, UK & EU MARKETS | PERFORMANCE & LIFESTYLE APPAREL**

Dhaka, Bangladesh | limonmiah.tex@gmail.com | +8801872940871

Portfolio | LinkedIn

## PROFESSIONAL SUMMARY

Results-driven Merchandiser with 4+ years of international buying office experience delivering sportswear and lifestyle apparel programs direct to USA, UK and EU clients — including professional sports clubs and national federations. Skilled in end-to-end execution across 300+ styles and 10+ concurrent programs, with a track record of 98% on-time shipment performance and 99% costing accuracy built on disciplined critical path control, sourcing management and cross-functional coordination with buyers, factories and design teams.

## KEY ACHIEVEMENTS

- Merchandised the official **Cabo Verde National Team jersey program for the FIFA World Cup 2026** and **led end-to-end merchandising for the National Lacrosse League (NLL)** program, coordinating development across 5 factories and USA HQ to meet mandated delivery deadlines within an accelerated 9-week timeline.
- **Assigned as Team Lead for the Box Lacrosse & Field Lacrosse category**, overseeing **40+ customer accounts** and coordinating cross-functional execution across merchandising, sourcing and production teams.
- Coordinated production, approvals and development across 7+ factories and cross-border teams in the USA, UK, Germany and China.
- **Developed a Python-based automation tool for PO/TP data extraction and merchandising data processing, streamlining manual tasks and improving accuracy and processing efficiency.**

## PROFESSIONAL EXPERIENCE

### Merchandiser – Team Leader

*May 2026 – Present*

***Capelli Sport – Bangladesh Liaison Office***

- Own end-to-end merchandising execution for sportswear and performance apparel programs supplied direct to USA, UK and EU clients, including professional sports clubs and national federations from development through bulk shipment.
- Lead global buyer coordination, maintaining daily communication with multiple buyers and overseas offices in the USA, Germany and China across development, approvals and production execution.
- Maintain 99% costing accuracy while supporting price negotiation, delivery commitments, order confirmation and bulk execution.
- Coordinate fabric, trims, accessories sourcing and booking with factories & suppliers to ensure smooth development and production requirements.
- Lead the sample development lifecycle (proto, fit, size set and PP), improving sample approval efficiency by 20% through structured follow-up and proactive issue resolution.
- Partner with design, technical, planning and sourcing teams across multiple factories to monitor production, resolve issues and safeguard quality compliance and shipment deadlines.
- Drove on-time shipment performance to 98% by building a structured critical path system using follow-up charts, TNA tracking and proactive production monitoring.
- Mentored and trained 4 junior merchandisers on TNA tracking, costing accuracy and buyer follow-up, enabling them to independently manage day-to-day order execution.

### Assistant Merchandiser

*Jan 2023 – Apr 2026*

***Capelli Sport – Bangladesh Liaison Office***

- Evaluated performance fabrics on construction, GSM, stretch, breathability, moisture management and hand feel to guide material sourcing and product development.

- Partnered with sourcing teams to identify competitive suppliers, develop new materials and supply market intelligence that informed commercial decisions.
- Coordinate with various factories & collaborate with design, technical, planning and sourcing teams, monitor production across multiple factories, resolve issues, ensuring quality compliance & shipment deadlines.
- Managed order documentation, buyer records and tracking files, improving operational efficiency and reducing delays.

### Management Trainee Officer (MTO)

*Aug 2022 – Jan 2023*

***Ha-Meem Group (Humana Apparels Pvt. Ltd.) — Buyer: Hugo Boss***

- Rotated across merchandising functions on a Hugo Boss account, supporting order documentation, sample tracking and buyer correspondence during a structured management training program.
- Gained foundational exposure to outerwear merchandising for a premium European buyer, building the base for direct sportswear merchandising responsibility.
